## Saurashtra University – IIC

The university is dedicated to instruction, research, and extending knowledge to the public (public service). Ministry of Education (MoE), Govt. of India has established 'MoE's Innovation Cell (MIC)' to systematically foster the culture of Innovation among all Higher Education Institutions (HEIs). The primary mandate of MIC is to encourage, inspire and nurture young students by supporting them to work with new ideas and transform them into prototypes while they are informative years. Saurashtra University is one the Organization that have constituted the IIC to foster the vision of MoE and be a part for the promotion and development of innovation ecosystem.

## Brief about Event

The SU Start-up and Entrepreneurship Council, in collaboration with IIC Saurashtra University and the Department of Human Rights & IHL, Saurashtra University, is organized a session "How to plan for Start-up and legal & Ethical Steps" on the 21st of May, 2023. This session aim was to provide valuable insights into the process of planning for a startup, as well as understanding the legal and ethical considerations involved.

This session was intended to train participants about the startups and legal and ethical steps for framework to produce quality results as the new entrepreneurs. The key focal point of the session was to identify the tools and techniques used by entrepreneurs to uplift business. The participants have learnt about the different types of duties they have towards their environment and organization in detail. In the session complete guidance was given by resource person. Sir gives us a brief introduction about the start-ups. He further informed us that how an individual can start up their own venture.

This session objective is to gain insights in a start-up thinking process to carry out some form of start-up. This involves what is start-up, Process of start-up registration, Legal aspect of start-up with various example etc. Also, understand many compliances under mandatory laws like companies Act, income tax Act, GST Act, contract Act, legal metrology Act, foreign investment laws etc.

In this session, discussion about start-up responsibility towards government, investors and social responsibility.

## Key Points

During the session, below mentioned points were discussed:

- Definition of start-up
- Process of start-up registration
- Legal aspect of start-up
- Start-up responsibilities
- Multiple stages of start-up
- FAQs related to How to Plan for Start-up: Legal and Ethical Steps

## Outcome

As per the event, participants understood about the legal and ethical issues of startups. Also, they increased the knowledge and encouraged the youth to start their own venture. Participants understand about the organizational skills adopted by the young blood to enhance revenue. Various types of start-ups, Importance of start-up and Ideation was made understood by the speaker.
