

30<sup>th</sup> January, 2025

**Minutes of the Meeting of Nodal Institute to support startups  
Screening Committee  
held on 30<sup>th</sup> January, 2025  
of Saurashtra University (SU)  
for final approval of proposals received under  
Industrial Commissionerate**

As Saurashtra University has been recognized as Nodal Institute to support startups with financial support of up to 40 lacs under Industrial Commissionerate. Saurashtra University has been at forefront in the sphere of student innovation & start-up ecosystem development. To carry forward the efforts for the above, Industries Commissionerate have initiated funding support up to 40 lacs to startups under Gujarat Industry policy 2020. This will primarily facilitate and incubated innovative ideas to go through a stage of proof of concept, prototype, product, testing & trial, redesign and deliver innovative solutions catering to end users. To evaluate the projects, screen them and further nominate them to Industries Commissionerate Gandhinagar for further scrutiny and final Evaluation.

The following process was adopted by SU Incubation Centre team for inviting and scrutinizing proposals under Industrial Commissionerate at Saurashtra University.

1. Incubation Centre of Saurashtra University invited innovations and startup companies from college undergraduates, post-graduates and alumni, asking Principals and faculty members to coordinate and recommend for the same and through promotions over social media campaigns and mailers. The application for Startup Support under Nodal Institute (NI) has been received via susec.ac.in website and <https://startup.gujarat.gov.in/> and innovators can fill up the form online to get support under Nodal Institute (NI).
2. From the entries in above link Institute Level screening was conducted at Meeting Room, Dr. A P J Abdul Kalam Vigyan Prayogalaya, Saurashtra University.
