Saurashtra University – IIC

The university is dedicated to instruction, research, and extending knowledge to the public (public service). Ministry of Education (MoE), Govt. of India has established 'MoE's Innovation Cell (MIC)' to systematically foster the culture of Innovation among all Higher Education Institutions (HEIs). The primary mandate of MIC is to encourage, inspire and nurture young students by supporting them to work with new ideas and transform them into prototypes while they are informative years. Saurashtra University is one the Organization that have constituted the IIC to foster the vision of MoE and be a part for the promotion and development of innovation ecosystem.

Event Schedule

| | |
|--------------|--|
| 12:00 | Registration Time |
| 12:15 | Welcome |
| 12:20 | Awareness Session on “Innovating Education for Tomorrow's Challenges by jury to students |
| 1:15 | Programme Feedback - Conclusion |
| 1:30 | Closing Ceremony |

Brief about Event

SU Startup and Entrepreneurship Council, in collaboration with IIC Saurashtra University, celebrated National Education Day "Innovating Education for Tomorrow's Challenges" on 11th November, 2024

National Education Day, celebrated on November 11, honors the birth anniversary of Maulana Abul Kalam Azad, India's first Education Minister. The theme for 2025, "Innovating Education for Tomorrow's Challenges," focuses on transforming education to meet the evolving needs of the future.

Technological Integration Using digital tools and platforms to enhance learning and accessibility. **Curriculum Reforms** Preparing students with critical skills for future challenges like sustainability, digitalization, and innovation.

Inclusive Education Ensuring equal opportunities for all, including marginalized communities and differently-abled students. **Lifelong Learning** Encouraging continuous learning through flexible and adaptive education systems.

Global Perspective Teaching students to be responsible global citizens, aware of global issues and solutions. This day emphasizes that educational innovation is crucial to develop students into leaders, critical thinkers, and problem-solvers who can address tomorrow's challenges.

By fostering these innovations, the theme "Innovating Education for Tomorrow's Challenges" seeks to create an education system that is flexible, forward-thinking, and capable of empowering students to become leaders, problem-solvers, and responsible global citizens who can navigate and address future challenges.

Key Points

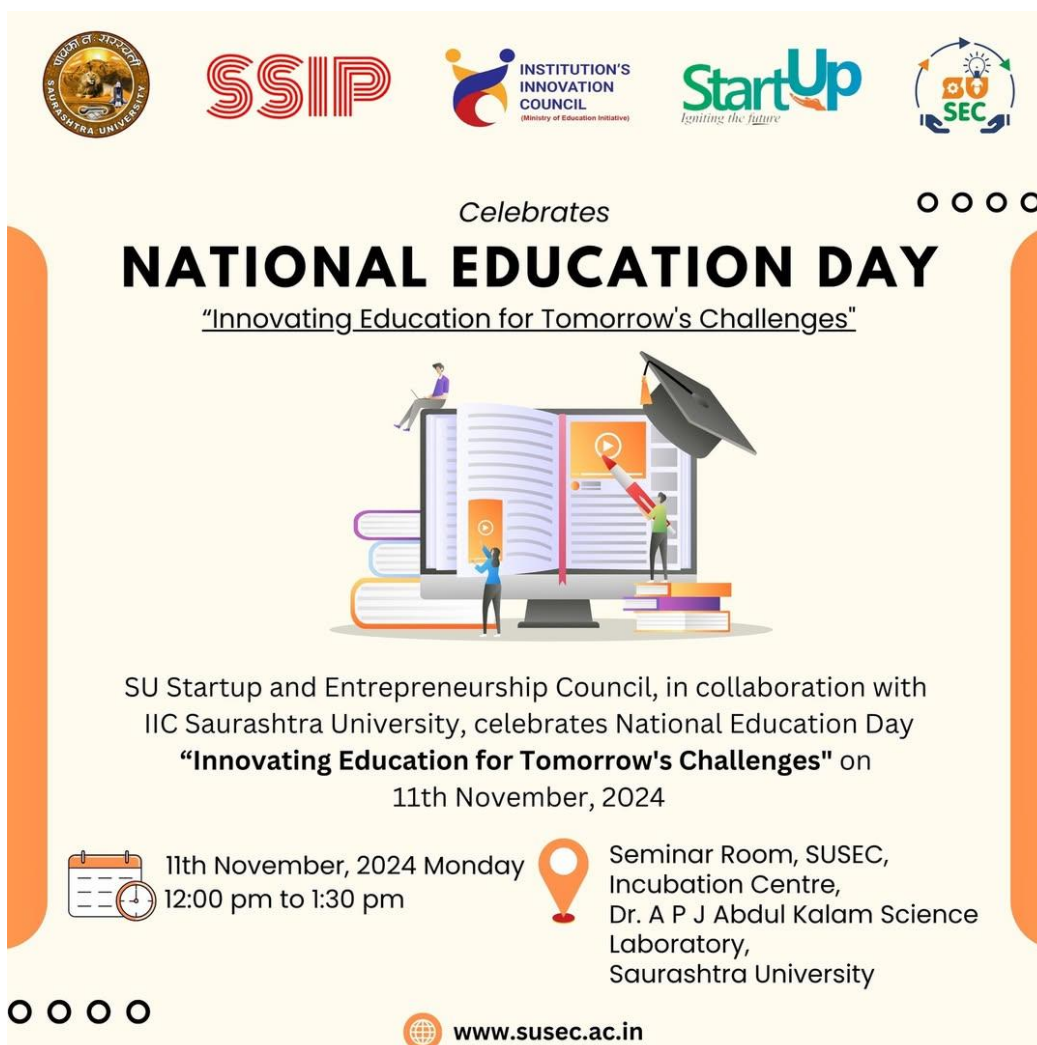

During the session, below mentioned points were discussed:

- Emphasis on Technological Integration
- Curriculum Reforms for Future Readiness
- Inclusive Education
- Promoting Lifelong Learning
- Collaboration Between Stakeholders
- Focus on Mental and Emotional Well-being
- Resilience Against Global Crises
- Sustainable Education
- Global Perspective
- Teacher Empowerment

Outcome

National Education Day 2025, with the theme “Innovating Education for Tomorrow’s Challenges,” envisions fostering a dynamic and forward-thinking educational system. The ultimate aim is to equip students with the skills and mindsets required to navigate an increasingly complex and rapidly changing world. Students will be able to analyze complex problems, think critically, and come up with innovative solutions. Students will develop the mindset to continuously learn and adapt to new environments, technologies, and challenges.

By fostering these outcomes, the theme of "Innovating Education for Tomorrow's Challenges" aims to prepare students not only for their immediate academic goals but for long-term success in a complex, unpredictable world. These innovations empower students to become leaders, critical thinkers, and responsible global citizens capable of addressing the challenges of tomorrow.

The poster features logos for Saurashtra University, SSIP, Institution's Innovation Council, StartUp, and SU SEC. The central text reads "Celebrates NATIONAL EDUCATION DAY 'Innovating Education for Tomorrow's Challenges'". Below this is an illustration of a large open book with a graduation cap, a person sitting on the book, and another person standing next to it. The text below the illustration states: "SU Startup and Entrepreneurship Council, in collaboration with IIC Saurashtra University, celebrates National Education Day 'Innovating Education for Tomorrow's Challenges' on 11th November, 2024". At the bottom, it provides the date and time: "11th November, 2024 Monday 12:00 pm to 1:30 pm" and the location: "Seminar Room, SUSEC, Incubation Centre, Dr. A P J Abdul Kalam Science Laboratory, Saurashtra University". The website "www.susec.ac.in" is also listed.
